## International Wedding DJ & Music Producer

**PRESS KIT · FOUNDER OF ENIGMA LONDON**

### BIOGRAPHY

DDS's journey began with a pair of turntables, a mixer and his family's record collection. Self-taught and driven by a lifelong love of music, he went on to build a career as a DJ and international music producer.

Based in London, DDS has released Punjabi and Bhangra singles, remixes and EPs since his debut, Ik Jindree, in 2010. He is now renowned for bringing his distinctive sound to weddings and celebrations around the world, performing everywhere from intimate club nights to destination weddings and major events.

As the founder of Enigma London, DDS has taken his vision across the globe, performing in the USA, India, Canada, Africa and Europe. Celebrated for his signature style and collaborations with international artists, he has become a familiar name in the Asian wedding and events scene. His work has also been featured on BBC Asian Network and BritAsia TV.
